

CANYONS VIRTUAL HIGH SCHOOL

CVHS is a year-round, online program dedicated to serving students within the Canyons School District, and elsewhere throughout the state of Utah.

9th - 12th Grade Students

CVHS provides personalized, flexible, and engaging online learning opportunities to help students throughout Utah succeed and prepare for college and career.

CVHS offers a variety of courses for original and make up credit such as: English, Math, US History, Chemistry, Financial Literacy, Computer Technology, French, Spanish and Healthy Lifestyles.

CVHS courses are available for any incoming 9th - 12th grade student.

CVHS is a great way to get a jump start on credits required for high school graduation.

Students needing make-up credits will find CVHS courses a convenient method for recovering those missed credits.

For more information about CVHS and to view the complete list of courses offered visit the CVHS website:
